Harmony Day is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world.

Plumpton Public School invites you to join us for
Harmony Day, 21 March 2018

Your child's classroom

By participating in Harmony Day activities, students can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.

Our students will be participating in activities related to identity & belonging. They may wear **traditional dress** or something **orange** to show support for cultural diversity and an inclusive Australia.
