Dear Parents and Caregivers,

## *PPS invites you to attend our Meet the Teacher – Information Sessions*

These sessions are not individual parent / teacher meetings. Teachers will be working together to present relevant information to you. **As we have limited seating, we please ask that children do not attend these information sessions if possible.**

Dear Kindergarten Parent / Caregiver,

Every child is unique; each has their own likes and dislikes, strengths and areas to work on. We want all of our students to feel valued as individuals and supported in their learning.

It is important for me to get to know my students as soon as possible, to understand their needs and to build on their strengths and interests.

Could you please assist me by completing this form and returning it at the *Meet the Teacher Information Session*, or as soon as possible.

Thank you,  
from your child's teacher!
