Adopt a Koala Fundraiser

Thursday June 13th, 2019

Did you know that in the past 20 years the koala's population has declined by a staggering 42% and the koala is at risk of becoming extinct!

We must act to protect them now, or they could disappear in a matter of decades!

"The Koalas flee, give them a tree!"

We ask all students to dress in green and bring a GOLD COIN DONATION. Your donation will allow PPS to adopt a koala. Funds raised will also go towards the planting of new trees to protect koala habitats. The Koala Adoption Program is sponsored by WWF Australia.

Thank you for your support
