Dear Parents and Caregivers,

PPS invites you to attend our Meet the Teacher – Information Sessions

Meet the Teacher – Information Sessions provide an opportunity for you to hear about class programs, routines, expectations, planned events and excursions, as well as ask questions and share information about your child with their teacher.

These sessions are not individual parent / teacher meetings. Teachers will be working together to present relevant information to you. **As we have limited seating, we please ask that children do not attend these information sessions if possible.**
