

February 2019

Dear Parents / Caregivers,

Every student is unique; each has their own likes and dislikes, strengths and weaknesses. We want all of our students to feel valued as individuals and supported in their learning.

It is important for us to get to know our students as soon as possible, to understand their needs and to build on their strengths and interests.

Could you please assist by completing this form and returning it to us at the *Meet the Teacher Information Session* or as soon as possible.
