PSSA Code of Conduct for Coaches, Parents, Players

To participate in PSSA activities, students, parents and coaches must be aware of the Codes of Conduct. Please read the following and **sign where necessary**. Return your form to your coach, they will then sign it. **Players cannot play**, until codes of conduct are signed by both student and a parent.

Coach	Parent	Player
<ul style="list-style-type: none"> Remember that young people participate for pleasure and winning is only part of the fun. Be reasonable in your demands on players' time, energy and enthusiasm. Operate within the rules and spirit of your sport and teach your players to do the same. Avoid overplaying the talented players; all players need and deserve equal time. Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of all players. Help young people understand the differences between P.S.S.A and professional sport. Keep up to date with coaching practices and the principles of physical growth and development. Read and use the latest coaching and teaching resources for junior sport. Display control, respect, and professionalism to all involved with the sport. This includes opponents, coaches, officials, administrators, the media, parents and spectators. Encourage your players to do the same. Show concern and caution toward sick and injured players. Follow the advice of a physician when determining whether an injured player is ready to recommence training or competition. Respect the rights, dignity and worth of every young person, regardless of their background. 	<ul style="list-style-type: none"> Remember that children participate in sport for their enjoyment not yours. Focus on the child's efforts and performance rather than winning or losing. Encourage children always to play according to the rules and to settle disagreements without resorting to hostility or violence. Never ridicule or yell at a child for making a mistake or losing a competition. Remember that children learn best by example; appreciate good performances and skilful plays by all participants. Support all efforts to remove verbal and physical abuse from P.S.S.A. Respect officials' decisions and teach children to do likewise. Show appreciation for teachers / coaches; without them, your child could not participate. Respect the rights, dignity and worth of every young person, regardless of their background. 	<p>At School:</p> <ul style="list-style-type: none"> Players will follow and adhere to our school rules. Players must keep a high attendance rate. <p>While playing:</p> <ul style="list-style-type: none"> Play by the rules. Never argue with an official. If you disagree, have your captain or teacher approach the official during a break or after the competition. Control your temper. Verbal abuse of officials and sledging other players, or deliberately distracting / provoking an opponent is not acceptable behaviour in P.S.S.A. Work equally hard for yourself and/or your team. Your team's performance will benefit and so will you. Be a good sport. Appreciate all good plays whether they are made by your team or the opposition. Treat all participants in your sport as you like to be treated. Do not bully or take unfair advantage of another competitor. Cooperate with your teacher, team mates and opponents. Without them there would be no competition. Participate for your own enjoyment and benefit, not just to please parents and coaches. Respect the rights, dignity and worth of every young person, regardless of their background.
